

Call for Paper

J-ISOSS

ISSN: 2313-7800

Dear Fellows,

As you know that the Islamic Countries Society of Statistical Sciences (ISOSS) has decided to publish its own journal "Journal of Islamic Countries Society of Statistical Sciences (J-ISOSS)" in addition to its conference proceedings.

"J-ISOSS is an official journal of Islamic Countries Society of Statistical Sciences. It is a scholarly, peer-reviewed, interdisciplinary, bi-annual journal aiming at theories, methods and applications in **statistics, bio-statistics, business statistics, mathematical statistics, statistical mechanics, econometrics, environmetrics, crimmometrics, chemometrics, agrometrics, engineering statistics; quality control, reliability theory, interface theory and ISO related to engineering, business and public administration and many other areas of physical and social sciences**. It is an international scientific journal that focuses on the advancement of innovative scientific research."

I am inviting you to please submit a paper so that soon after peer reviewing your paper goes in print. I am sure you have a ready-made paper for me. Exploratory papers on any topic of your interest are also welcome.

I hope you accept my request at your earliest.
